- Congratulations to Josh Colgan on is promotion to Lieutenant 59, Josh will be the acting Lt. at Station 7 until Station 9 is up and running.

The truck will be picked up next week and taken to Crawford International Trucks in South Dakota for cab replacement, then it will be driven to Rosenbauer in Wyoming, Minnesota for the body repair. This estimate is \$217,046, this still leaves some room for additional repairs and covering the cost of final inspection and returning the truck to Colorado before having to renegotiate with VFIS.
- The two Ford Chassis for our bush trucks are completed and on their way to Texas for build out. They expect them in December. We anticipate completion in March or April.
- Capt. Lutz, Lt. Arendt and I are traveling to Canada on January 25th for final inspection of the first two engines. We anticipate putting these in service in March. Last engine is expected in April or May.

- Mitigation work continues and new jobs are being secured at about the same pace as they are being completed.
